Build A Molecule Pre Lab Answer Key - pdfsdocuments2.com - Build an atom out of protons, neutrons, and electrons, and see how the element, charge, and mass change. Then play a game to test your ideas!  
Sun, 20 May 2018 05:25:00 GMT  
Build an Atom - Atoms | Atomic Structure | Isotope Symbols ... - Identity of an Atom  
“ Previously we learned that all matter is made of

particles, but not all particles are the same. Different substances behave differently because their particles (aka atoms) are different. Build stable atoms using several combinations of protons, neutrons and electrons and observe the name of the element (identity of the atom).
