Template.net - Inspired by a
suggestion from a TES user, this
template comes in two forms,
allowing students to construct a
Facebook page for a character
from a text or some other context.
In Word format, the form is
editable, while a PDF version
allows prints for wo...

Facebook. I did something similar
but in a history class where
students were paired up and
assigned generals during the Civil
War and they had make a
facebook page for their person
and then, with their
partner/opposing general, had to
create an event page and provide
an account of the battle they were
encountered each other.
